Weather & Class Cancellations

In the event that there is bad weather or road conditions are poor, please check the Facebook Group for notification of class cancellations. We will also send out email to the contact in the online portal.

All Newsletters and information will be posted on our website at www.dancentre.ca and in our Facebook group

Competition Dates

We have selected Prince Albert Festival of Dance - April 11-15 (All groups Junior level and up) and Tisdale Dance Experience - April 18-22 (All groups Pre Jr level and up) as the two competitions that our group routines will attend this year. Solos/Duets/Trios and a few groups may also attend the Prince Albert Dance Blast competitions March 8-11. (We will not be attending the the Humboldt competition because it is the same weekend as Tisdale)

Dance is a team activity. If you are unable to attend any of these competitions, please let us know by Nov 1, 2017. Students who are not able to attend **all** competitions will be able to perform in the recital but may not be able to compete. Choreography is set to specific patterning and sometimes partnering depending on the number of students in the routine. We do not have the ability to fill in the spot with other students. Having students missing, causes much stress and panic for the children. In addition, dancers with more than 5 unexcused absences from class may not be allowed to compete.
