

Thank you to all who volunteered to help out at the Dance Centre throughout the dance year. Miss Jenny, Miss Danee and I really appreciate your assistance, cooperation and support. It helps to make the season and recital run smoothly and the children have a positive experience. It is heartwarming to see our team come together and support each other during some very difficult times.

We will be holding a summer dance camp at the studio this year - August 21 - 23 - registration is available through the online portal and forms will be available on the website. There are also many out-of-town summer schools,

Following is the order of the recital program. We did our very best to accommodate all requests, however, there are several students with multiple costume changes and some groups that have a couple of age groups joined and this was the best we could do. Our dress rehearsal will start at 5:30 on **Wednesday, May 9** at the Kerry Vickar Centre. We'll begin by practicing the finale and then run the program in the order of the recital. Once your dance is finished, you are free to leave, however this will be the only opportunity for the dancers to watch as they are required to remain in the dressing rooms during the show. It is not necessary to have stage makeup on and hair can be pulled into a ponytail off the face - unless you want to practice your hair changes. We would like to try **all of the costume and tight changes** to make sure there is sufficient time between numbers in the program.

For each recital show, the doors will be open 60 minutes before the show starts. Students in the first half of the program should be there 30 minutes before the show starts. A list of dressing rooms will be posted at dress rehearsal - the younger students will be in the gym, and Sr's backstage. We will begin lining the children up about 15 minutes prior to the show start time. It is not mandatory to stay for the finale - it is a long evening for the little ones and if you wish to leave after their dance, that is fine. All students will be required to stay in their dressing rooms during the performance - the show runs continuously with no blackouts between routines. It is very distracting to others watching their children if the audience is moving in and out, there will be enough volunteer supervision in the gyms to provide assistance to every child. Please send quiet activities (coloring books, games, etc) for entertainment and we would appreciate it if you would consider to volunteer to supervise when you are not in the audience watching.

We are looking for volunteers to help out at the recital - dressing room supervision, backstage runners, seat ushers, admissions & programs. If you are available to help on the day you are not in the audience please let us know or there is a sign up list posted at the studio. The canteen proceeds will be held in an account to sponsor future workshops for our students to be held in Melfort. (this past year we sponsored a free ballet workshop) This will enable all of our students to benefit and enhance their training. We are asking for donations of various snacks (puffed wheat, rice krispie, nut-free cookies/baking) for the canteen, a list will be posted at the studio or you may email what you'd prefer to donate. The dance centre will supply all other supplies and beverages.

Recital Order 2018

1	Adv/Sr Jazz	Royalty	18	Adv/Sr Modern	The Ones
2	Adv Int HipHop	Freaks	19	Jr Jazz	Conga
