

Below is a schedule of times and session for the Tisdale Dance Competition Wed, April 18 - Sunday April 22. We have listed a time to be there for groups. We ask that you arrive at the "be there" time so that we can rehearse each group when **our teachers** have a break from being backstage. Solo/duets, please use your own discretion what time to be there. Be sure to give enough time to rehearse and warm up.

The Tisdale competition is at the RecPlex. Please sign in at the registration desk and they will direct you to our dressing area in the curling rink. Everyone should meet and be certain all hair, makeup and costuming is the same. It will be a great week of dance, enjoy the entertainment!

Please remember that this is a group effort and every person in a group routine has an important role. Be sure to represent the Dance Centre positively and be courteous and respectful to others. Try to show good sportsmanship whether we place 1st or last – placement is very subjective and may change at each competition you attend. The students have worked hard to perfect their routines, words of encouragement and praise are welcomed by all!! We want each student's experience to be positive and help enhance their dance education. Parents/students: please also be aware of comments made while in the audience and by the placement boards – you never know whose parent, grandparent, or friend is sitting in the row around you!

Following is a check list to help make your competition experience a little easier. It can be a bit chaotic in the dressing rooms as we often have to share space with dancers from other dance clubs.

1. All costumes (including headpieces and accessories), Please label all costume pieces, shoes and accessories. They easily get mixed up in the dressing room.
2. Tights for each costume and back up pair in case of holes or runs
3. Dance shoes: try to polish any scuff marks
4. Makeup; foundation, blush, eye shadow, eyeliner and mascara; Lipstick (we have approved shades from Mary Kay, ask us about ordering)
5. Baby wipes work well for quick clean ups and make up fixes or removal
6. False eyelashes and glue (optional for 11&under)
7. Bobby pins: both straight pins and bun pins
8. Hairnet for ballet bun, Hairspray/gel, Hair elastics
